BEYOND MAPS & MILES

FGA Prestige's personal travel planner is designed for members who value time, privacy and originality as much as comfort. Every journey is built from the ground up—no templates, no generic routes—so that where you stay, how you move and what you experience feel precisely aligned with who you are.

HOW WE DESIGN YOUR JOURNEYS

In-depth profiling of your preferences: pace, privacy level, hotels you love, dining style, wellness habits, non-negotiables and red lines.

Tailor-made itineraries ranging from 48-hour city breaks to multi-country, multi-generation holidays.

Options framed around your goals: restoration, adventure, family time, deal-making, cultural immersion or a mix of all.

SIGNATURE EXPERIENCES

Wildlife and nature: from blue whale encounters in Sri Lanka to safari extensions in Africa and private yacht days in the Mediterranean or Asia-Pacific.

Culture and history: private-hours access to museums, galleries and heritage sites, curated with local experts.

"Once-in-a-lifetime" moments: private dinners by the Egyptian pyramids, after-hours temple visits, vineyard buy-outs or invite-only events built around your interests.

PARTNERS & PROPERTIES

Hand-picked luxury hotels, resorts and unique stays—ranging from urban landmarks to secluded villas and lodges.

Alignment with your style: classic grand hotels, contemporary design properties, branded residences or ultra-discreet hideaways.

Room and suite selection that fits your needs: connecting layouts, private pools, wellness facilities, work-friendly setups and security considerations.

TRAVEL FOR EVERY ASPECT OF YOUR LIFE

Business: efficient city programmes with optimised transfers, executive-friendly hotels and private spaces for meetings or calls.

Family & education: itineraries that balance rest, learning and admissions-linked visits, coordinated with your education consulting advisors.

Wellness & longevity: stays built around specific clinics, spas or medical partners, including time for recovery, privacy and follow-up

BALI

Lose track of time in Bali's lush highlands, where jungle canopies, river valleys and temple spires create a landscape that feels almost otherworldly. FGA Prestige crafts stays that balance deep cultural immersion with restorative calm, so each day flows easily from ceremony to adventure to stillness.

MORNINGS IN THE HIGHLAND

Wake to the sound of the river below your villa, ringed by terraced rice fields and tropical forest. Your morning might begin with guided meditation beneath ancient trees, followed by a private blessing at a water temple or a leisurely breakfast overlooking the valley. As the day unfolds, your concierge can arrange everything from white-water rafting along the Ayung to a slow drive in a classic convertible through emerald-green paddies and traditional villages.

IMMERSE IN THE CULTURE

Culture is never staged here; it is woven into everyday life. Learn to shape offerings and walk through a local market with a chef, discovering the spices, herbs and produce that define Balinese cuisine before returning for a hands-on cooking session. In the afternoon, slip into a riverside spa pavilion for healing rituals inspired by Balinese traditions, or join a gentle yoga practice as mist settles over the jungle.

EVENINGS OF FIRELIGHT AND STORY

Evenings belong to firelight and storytelling. FGA Prestige can arrange private performances of traditional dance in a lantern-lit courtyard, or a candlelit dinner suspended above a river gorge, complete with paired wines and a menu tuned to your preferences. Whether you choose to explore hidden temples, pursue adventure on the water or simply linger by your pool, Bali with us feels less like a trip and more like being quietly welcomed into the island's rhythm.

LONDON

AFTERNOONS REFINED

No London visit is complete without the quiet ceremony of afternoon tea at The Ritz. FGA Prestige secures your preferred sitting in the Palm Court, complete with tiered stands of pastries, warm scones and live piano, all timed seamlessly between meetings or shopping. As you leave, your car is waiting at the door so you slip back into the city without ever feeling rushed.

BOND STREET SHOPPING

For some, London is defined by its museums; for others, by the discreet thrill of Bond Street. Your concierge can coordinate private appointments at flagship boutiques and salons, arranging closed-door browsing where appropriate, while the driver discreetly transfers each purchase from boutique to car so your hands remain free. By the time you are ready to depart, your selections are already packed, documented and loaded—either into the boot or prepared for secure shipment home.

London is a study in contrasts: Mayfair townhouses and glass towers, heritage clubs and hidden cocktail bars, Royal Parks and river paths. FGA Prestige curates London stays that feel both impeccably classic and quietly contemporary, layering culture and ease into every day.

MORNINGS IN MAYFAIR

Begin your day with a walk through Green Park or Hyde Park, before slipping into the elegance of Bacchanalia in Mayfair for a long, languid lunch surrounded by art, marble and theatrical Mediterranean cuisine. Your table is held, the host knows your name, and your favourite wines are already in the cellar, pre-selected to suit the mood of the day.

EVENINGS IN THE CAPITAL

As the city lights up, we turn London into a personal playground: a corner banquette reserved at a members-only bar, a last-minute box at the Royal Opera House, or a chef's table experience to close a deal or mark a celebration. Transfers are sequenced, door staff are briefed, and any late-night changes flow back through your concierge so, from your vantage point, London simply unfolds—polished, effortless and entirely your own.

HIGH-VALUE SOURCING REDEFINED

FGA Prestige's Personal Shopping & Stylist service transforms luxury acquisition into an art form. Designed for those who know what they love but prefer not to chase it, our service fuses discreet access, impeccable taste and seamless execution.

RARE ACCESS AND RELATIONSHIPS

Our network includes trusted personal relationships with senior associates at Hermès, Chanel, Rolex, Augmers Piguet and other storied maisons. These connections open private doors, granting early access to limited-edition launches, invitation-only previews and made-to-order collections often unavailable even to top clientele. Beyond fashion, our reach extends to ultra-rare timepieces, bespoke leather goods and exclusive home décor from ateliers across Paris, Milan, Tokyo and London.

STYLE, PERFECTLY PERSONAL

Every member is paired with a personal stylist who understands your aesthetic, lifestyle and preferences—whether timeless tailoring, avant-garde design or understated restraint. Together, you build a wardrobe and environment that reflects not just your style but your story. When your passions expand beyond fashion, our specialists liaise with Christie's, Sotheby's and other world-renowned auctioneers to acquire one-of-a-kind jewellery, vintage automobiles, fine art and investment-grade collectibles with complete due diligence and confidentiality.

THE PERFECT *BIRTHDAY SURPRISE*

CLIENT TESTIMONIAL

“James wanted an extraordinary birthday surprise for his wife—a piece that would be both rare and meaningful. He turned to his FGA Prestige shopping concierge, who listened closely and began the search for a Hermès Kelly, settling on the elusive "5P Bubblegum Pink" known among collectors for its vibrant, joyful hue and near-mythical rarity.”
